

WESTERN™ CPE

2021 Conference Information Packet

Bar Harbor, Maine | July 12-16, 2021

The gateway to Acadia National Park, Bar Harbor is a stunning getaway located on Mount Desert Island along Maine's Frenchman Bay.

Discover the island's rich history, with walking tours offering a glimpse into a past where wealthy elites used the island as an exclusive getaway. Today the town also serves as a launching point for exploring the beautiful Atlantic coastline and Acadia National Park. On the island, sightseeing and outdoor recreation opportunities exist everywhere you look. Offshore, you will find more of the same, with whale watching and boat tours of the rugged, cliffy coastline. When you are done exploring for the day, sampling the seafood that the region is famed for—lobsters and clams especially—is a must. We will use the Harborside Hotel, Spa & Marina, located right next to the water in downtown Bar Harbor, as our base to explore the region's rich history and beautiful natural attractions.
