

2021 Conference Information Packet

St. Simons, Georgia | *October 18-22, 2021*

St. Simons Island displays a surreal landscape, where inland oak forests draped in Spanish moss give way to expansive beaches and the open sea.

But those are just a couple of the reasons why it's regularly ranked as one of America's favorite beach towns. The island is rich with history, with many of its sites preserved and open to the public. Eighteenth-century battle sites and plantations, 200-plus-year-old churches, and colonial forts are just a few of the island's well-preserved historic attractions.

The island is also a wonder for outdoor enthusiasts. It features multiple, perfectly manicured golf courses, nature walks, biking trails, and excellent offshore fishing. In the small city that bears the island's name, you'll find galleries, shopping, and dining, all of which feature its unique style and history.

The King and Prince Beach & Golf Resort

The King and Prince Beach & Golf Resort A beautiful and historic property located right on the beach, The King and Prince Beach and Golf Resort is St. Simons' finest resort. The property features a wide variety of amenities and activities on-site, with additional excursions available by request. Just a short drive away, you'll find the renowned King and Prince Golf course, providing 18 challenging holes accentuated by the island's natural beauty. Stay with us and find out why this resort continues to win awards and accolades each year.

201 Arnold Rd. St. Simons Island, GA 31522
